TRAIL TIP/TECH TALK:

SAND DRIVING 101

Master the sand with two simple rules: lower your tyre pressure and keep your momentum smooth.

Tyre Pressure: Drop your tyres to around 1.0–1.5 bar (15–22 psi) depending on the vehicle, load, and sand conditions. A larger footprint means better traction and less digging.

Momentum Management: Keep a steady pace. Avoid sudden acceleration, hard braking, or sharp steering inputs—they're the fastest way to get stuck.

Wildog Tip: If you do get bogged down, resist spinning the wheels. Recover smart, air down if needed, and keep making new tracks.

PRODUCT SPOTLIGHT:

THE WILDOG ALPHA REAR REPLACEMENT BUMPER COMBINES A CLEAN FACTORY-STYLE FINISH WITH THE STRENGTH AND FUNCTIONALITY YOUR BAKKIE DESERVES. WHETHER IT'S EVERYDAY DRIVING, TOWING, OR WEEKEND ADVENTURES, IT'S READY FOR THE JOB.

RECIPES FOR THE CAMPSITE:

MUSHROOM BREAKFAST CUPS

A simple, hearty campsite favourite that's easy to prepare and packed with flavour.

Ingredients:

LARGE brown mushrooms (portobellos work well)
Small eggs
Bacon strips – stretch them as long as you can without breaking them
Seasoning to taste

Method

Take large brown mushrooms and snap off the stem parts (be careful not to make a hole straight through).

Take 4 strips of bacon and make a cross shape. Now place the mushroom in the center of the bacon.

Take an egg and pour it slowly into the mushroom cavity.

Add seasoning to taste.

Now fold the bacon over to enclose the mushroom and egg.

Fry in a pan until cooked through.

Known as Wildog's finance wizard, sales wizard, and the auntie to everyone, Driekie has a way of making customers and the team feel right at home. If you've called the office before, chances are she's already made your day a little easier.

We asked Driekie a few fun questions to get to know her:

What is your favourite Wildog product?
"Revo Alpha Rear."

What is your favourite vehicle brand/model?
"Isuzu."

Most embarrassing or interesting Wildog moment?

"I don't really have an embarrassing moment, but every day is interesting. Every day brings new opportunities and stumbling blocks to overcome. Never a dull moment."
